ITINERARY

DAY 1: Arrival by Private Flight & First Adventure

Your luxury experience begins the moment you board your private flight to Uyuni, enjoying an exclusive and comfortable journey as you soar above the breathtaking Uyuni Salt Flats. From the air, you will take in unparalleled panoramic views of one of the world's most extraordinary landscapes.

Upon landing at Uyuni Airport, you will be warmly welcomed by the Hidalgo Tours team and transferred to Tika Uyuni Restaurant aboard our luxury van, thoughtfully designed to provide a premium travel experience. The vehicle is fully equipped with unlimited beverages, both alcoholic and non-alcoholic, a curated selection of snacks, a private onboard restroom, and satellite internet throughout the journey. Every detail has been carefully arranged to ensure your comfort from the very first moment.

At Tika Uyuni Restaurant, an exquisite breakfast buffet awaits, blending refined local flavors—the perfect beginning to a day filled with unforgettable moments.

After breakfast, we will visit the mysterious Train Cemetery, where 19th- and 20th-century locomotives rest as silent witnesses to Bolivia's railway boom. We will then continue to the historic mining town of Pulacayo, a fascinating destination that transports you into Bolivia's industrial past. There, you will explore the old mine, tour the former residence of ex-president Aniceto Arce, and stand before the iconic trains once robbed by the legendary outlaws Butch Cassidy and the Sundance Kid. Our expert guide will captivate you with compelling stories that bring every corner of this remarkable site—rich in history and legend—to life.

On our return, you will enjoy a refined lunch at Tika Uyuni—an immersive culinary experience where every dish delights the senses in an elegant and inviting setting.

The journey continues with a transfer to the iconic Palacio de Sal Hotel, the world's first hotel built entirely from salt blocks and the region's most prestigious five-star property. Upon arrival, you will receive personalized attention and settle into the hotel's finest accommodation: a luxury suite with privileged views of the Uyuni Salt Flats—a true sanctuary of serenity, beauty, and exclusivity.

You will have time at leisure to explore and unwind within the hotel's exceptional facilities. Relax in the panoramic heated pool, indulge in a revitalizing treatment at our Concept Spa—where expert therapists guide you through wellness rituals using natural ingredients from the Altiplano—or simply enjoy the lounges, the bar, or the breathtaking scenery from the hotel's terraces.

Within the hotel grounds, you will also discover Sueños y Leyendas, the first cultural theme park on the shores of the Uyuni Salt Flats—a magical space inspired by the golden age of mining. Here, you can immerse yourself in themed attractions, settings, and gastronomy, even dressing in period-style attire available at the park to relive the atmosphere of historic fairs in Uyuni and Pulacayo.

To conclude the day, you will savor a delightful dinner at Tika Palacio Restaurant.

Includes: Private flight from Santa Cruz to Uyuni, breakfast, lunch, and dinner (with alcoholic and non-alcoholic beverages), overnight stay at Palacio de Sal Hotel, full access to hotel facilities, spa treatments, and unlimited food and beverages throughout the entire experience.

DAY 2: Exclusive Tour of the Uyuni Salt Flats

Your second day begins with a delightful breakfast at Palacio de Sal Hotel, preparing you for a day filled with extraordinary wonders across the Uyuni Salt Flats. Your luxury van is fully equipped to ensure absolute comfort throughout the journey, featuring plush seating, unlimited beverages, a curated selection of snacks, and a private onboard restroom—guaranteeing a seamless and uninterrupted experience.

We will head to the picturesque village of Colchani, where you will gain firsthand insight into traditional salt-processing facilities, admire handcrafted salt artworks and traditional textiles, and connect with the community's living culture—its ancestral techniques and warm, authentic hospitality.

Explore the Great Uyuni Salt Flats

As you enter the world's largest salt flat, you will experience a unique blindfolded sensory encounter, allowing you to discover the Uyuni Salt Flats in a truly immersive and unexpected way.

Your first stop will be the Ojos de Agua—natural springs where underground water rises to the surface. Continuing onward, you will arrive at Flag Plaza, a symbolic space representing the diversity of visitors from around the world. You will then pass by the Dakar Monument, a sculpture commemorating the renowned international rally. You will also admire the impressive Salt Sculptures crafted by local artisans, inspired by the culture and natural beauty of the region.

At midday, the salt flats themselves become your private setting for a luxury Apthapi lunch—a refined interpretation of traditional Bolivian cuisine with a gourmet touch—offering an exceptional culinary experience surrounded by an endless white horizon.

Next, unleash your creativity with perspective photography in the salt desert before heading to the iconic Incahuasi Island, renowned for its giant cacti and breathtaking 360-degree views (access to Incahuasi Island is available only during the dry season, May through November).

Sunset & Return to Palacio de Sal

To conclude the day, we journey to the southern edge of the salt flats to witness an unforgettable sunset, accompanied by a curated selection of fine wines and warm gourmet bites. As the sun gently fades beyond the horizon, we return to Palacio de Sal Hotel.

Following a refined dinner at Tika Palacio Restaurant, we venture once more onto the salt flats for an experience that borders on the surreal: a private stargazing session beneath one of the clearest skies on Earth. As you contemplate the majesty of the Milky Way, you will experience a mystical and unforgettable moment.

We then return to the hotel for a well-deserved rest.

Includes: Breakfast, lunch, and dinner (with alcoholic and non-alcoholic beverages), overnight stay at Palacio de Sal Hotel, full access to hotel facilities, spa treatments, unlimited food and beverages throughout the experience, and the private stargazing tour.
